

Reception of ballast water, tank wash water and slops containing oil residues exempt from chemicals or tank washing agents, from vessels alongside our private jetty (max. draft 7,5 m).

Tank cleaning and discharge to shore tanks to be carried out by ship's equipment under responsibility of ship's Master. Hose connection and disconnection to be carried out by ship's crew.

Total quantities above 1,000 cubic meters must be accepted by ECO-OIL office prior to arrival of vessel.

After discharge the vessel must leave the jetty immediately. Elapsed time between hose disconnection and actual sailing of vessel will be charged as "surveillance" as per item 2.

SCHEDULE RATES

ITEM 1	RECEPTION	a) first 4 hours after discharge hose connection	€ 4870,00
		b) each following hour/fraction till disconnection of discharge hose	€ 560,00
ITEM 2	SURVEILLANCE	pro rata first 12 hours	€ 1630,00
		each following hour/fraction	€ 142,00
ITEM 3	OVERTIME	above prices will be increased by: 25% from 17.00 till 24.00 H 50% from 00.00 till 08.00 H 75% Saturdays, Sundays or holidays	
ITEM 4	SLOPS AND TANK WASH WATER TREATMENT	treatment of slops based on total cubic meters in slop tank(s) as measured on ship's arrival	€ 4,95 per cubic meter
		ditto for additional tank wash/line flushing water measured on completion of discharge	€ 1,25 per cubic meter
		treatment for slops from engine room (bilge, fuel oil sludge...)	€ 45,50 per cubic meter
ITEM 5	BERTH FEES per vessel's GT (Reduced GT not applicable in this item)	Period of first 24 hours or fraction	€ 0,145
		each following 24 hours period or fraction	€ 0,0465
		Minimum charge	€ 5300,00
ITEM 6	COMPENSATION FOR OIL IN SLOP TANK(S) INTERFACE as measured on arrival and upon results of sample analysis carried out at a certified laboratory	Variable refund up to € 27,15/MT of net oil, provided percentage of sediments in sample is less than 2%vol. (ASTM D95-ASTM D 1796) and Sulphur lower or equal 1%vol. (IP 336) Percentage of net oil = 60% or up 50% 40% 30%	€ 27,15/MT € 22,63/MT € 18,10/MT € 13,58/MT
ITEM 7	SLUDGES	Drums with sludge Empty drums	€ 150/un € 20/un

Sludge in plastic bags will be accepted when placed in our 200 L sealed steel drums. Early notice is required. Invoices to be paid directly to ECO-OIL.
